Professional Experience

Old Elm Club

Assistant Superintendent

Highland Park, IL
2017-Present

18-hole Top-100 club designed by Harry Colt and Donald Ross.

- Excellent oversight and organization of all day-to-day activities that deliver optimum course conditions that routinely exceed member expectations
- Initiate employee training and work closely with staff to ensure maximum efficiency
- Effectively communicate with club officials and staff, including participation with Green Committee
- Gained extensive knowledge in organizing and implementing annual grounds budget, including management of entire pesticide and fertilizer program
- Participated in the completion of a long range improvement plan; program included a bunker restoration and a fairway expansion grow-in project; added 24 acres of T1 and Alpha bentgrass to existing fairways along with 13 acres of strategically placed fine fescue areas
- Developed talent for ancillary area management and landscape maintenance; experience with Har-Tru tennis courts, pool facilities, platform tennis and snow removal
- Perfected existing irrigation control system and strategically placed new irrigation
- Installed subsurface drainage systems to remove excess water from affected regions of turf

Inverness Club

Interim Superintendent / Assistant Superintendent

Toledo, OH
2016-2017

18-hole nationally recognized club designed by Donald Ross.

- Appointed the Interim Golf Course Superintendent during transition of incoming Superintendent in 2017
- Changed the culture of a deflated staff and created an environment that all could be proud of each day
- Worked closely with architect Andrew Green and the membership through extensive meetings to develop a master plan for the golf course
- Oversaw the implementation of the long range improvement project, including; complete bunker renovation, rerouting of several holes to fit the original Donald Ross design, and the construction and grow in five new holes, which included USGA specification greens
- Coordinated extensive tree removal and drainage to improve playability of course

The Kirtland Country Club
Assistant Superintendent
Skeet Range Manager

Willoughby, OH
2014-2016
2015-2016

18-hole private club designed by C.H. Allison

- Responsible for the ordering, storage, and inventory of chemicals and PPE.
- Monitored XDG greens drainage projects on six greens.
- Renovated the Junior Course by regrassing and selecting critical irrigation placement for grow in procedure and continual maintenance
- Installed Better Billy Bunker drainage system to address frequently damaged areas
